EMPLOYMENT HISTORY

Front-End Developer / Account Manager, Accelerate Retail Partners
Phoenix, AZ
Oct 2020 — Present

- Designed, developed, & launched company website from scratch using HTML, CSS, & JavaScript.
- Utilized Lighthouse & best SEO practices to bring website from not showing up on the first page of Google to being ranked #1 when searching for company name.
- Consulted with clients about improving the UI, UX & SEO on their websites.

Worship Pastor, Christ's Church of the Valley
Phoenix, AZ
Jun 2019 — Apr 2021

- Developed an online tool, using HTML, CSS, and JavaScript, that would allow our team to more efficiently transpose chord charts.
- Doubled the number of volunteers on my team within a year of beginning the job by recruiting persistently.
- Programmed unique, creative services to attract and develop the next generation.

Gourmet Coffee Barista, J.W. Marriott
Scottsdale, AZ
Mar 2019 — Sep 2020

- Surpassed the record score on the Guest Satisfaction Survey.
- Recognized needs and filled various roles throughout the resort in the midst of the global pandemic including dining room attendant, spa attendant, pool attendant, and restaurant take-out manager.
- Taught myself how to perform latte art to improve the guest experience at the resort.

Worship Leader, Independent Contractor
Phoenix, AZ
Sep 2015 — Present

- Promoted my services to leaders of organizations and churches.
- Prepared speeches that would compellingly communicate with diverse congregations of 100-2000 people.
- Managed various groups of musicians and led them to effectively lead different congregations.

EDUCATION

Music, Arizona Christian University
Phoenix, AZ
Aug 2015 — Dec 2018

- Minor in Biblical Studies
- Awards:
  - Champions of Character (NAIA Football) - 2017 & 2018
  - Academic All-Conference and All-American - 2016 & 2017
  - Humanitarian Award - 2015
  - Nominated for Service Award (ACU Athletics) - 2016
